Subject: Colorado House Bill 1301 - Cervical Cancer Vaccination - Medical

To Our Valued Customer:

The following revision applies to group policies providing medical coverage issued by Aetna Life Insurance Company in Colorado or policies providing medical coverage issued elsewhere but covering Colorado residents.

The purpose of this Certificate Amendment is to add language in response to CO HB 1301, which requires insurers to cover the full cost of a cervical cancer vaccination. This law is effective on January 1, 2008 and applies to existing impacted plans on their first renewal date occurring on or after this date.

There are two attachments to this email:

- A copy of a Certificate Amendment issued in response to this law. You should distribute this to your employees who are affected by the law and are covered by one of the policies mentioned above, or arrange for it to be viewable on your company website if that's where you house your existing certificates.
- A copy of a Policy Rider to your Group Insurance Policy. The Policy Rider should be filed into your policy.

Please note that both the Policy Rider and the Certificate Amendment are general documents. Documents specific to your plan will be issued to replace the generic form at the next regular plan revision, or upon request.

If you have any questions about this law, please contact your Aetna Account Representative.

Sincerely,

A handwritten signature in cursive script that reads "Grace Lewicki".
